GDA Coalition - Paperwork Received to Date

Item	Received	Not Received	Total	Percent
Farm Evaluation & Managed Wetland Eval.	52	39	91	57%
Irrigation and Nitrogen Mgmt Plan SR	40	49	89	45%

The total number of Irrigation and Nitrogen Management Plan Summary Reports is less than the total number of Farm Evaluations/Managed Wetland Evaluations because Managed Wetlands are not required to complete/submit INMPSRs.

Annual grower meeting attendance will be met by viewing an online video to be posted end of March or early April.
