MEMORANDUM

TO: Grassland Basin Drainers
FROM: Joseph C. McGahan
DATE: August 18, 2021
SUBJECT: Status of Mud Slough Mitigation CEQA

CEQA documents were circulated on June 30, 2021 with comments due July 30, 2021.
Comments were received from:

- Planning and conservation League and 17 other parties
- California Department of Fish and Wildlife – Fresno Office
- State Water Resources Control Board – Division of Water Rights – Water Quality Certification Control Program

We are in the process of working through the comments and developing draft responses. We will consult with Andrea Matarazzo and our legal team before recommending the next action to the Authority Board.
